Helen Killaspy is Professor and Honorary Consultant in Rehabilitation Psychiatry at University College London and Camden and Islington NHS Foundation Trust in the UK. She leads national and international programmes of research that focus on the assessment of quality of care for people with complex mental health problems and the evaluation of complex interventions for this group. She is the National Professional Adviser for mental health rehabilitation services for the hospital registration authority in England and Wales, the Care Quality Commission. She is a former Chair of the Faculty of Rehabilitation and Social Psychiatry of the UK Royal College of Psychiatrists and Topic Advisor for the first NICE Guideline on mental health rehabilitation.
